

# Additional Internship Resources

## [Internships.com](#)

Internships.com is the world's largest student-focused internship marketplace, bringing students, employers and higher education institutions together in one centralized location. Internships.com provides a wide variety of interactive tools and services to enable every student, employer and educator to better understand and optimize internship opportunities, enabling businesses to identify the best job candidates and for students to develop the real-world skills they will need upon graduation.

## [TX Internship Challenge](#)

The Texas Internship Challenge is a partnership between the Texas Workforce Commission (TWC), Texas Education Agency (TEA) and The Higher Education Coordinating Board (THECB), who challenge employers to offer paid internships and make it easy for students to search and apply for them.

## [NASA Interns, Fellows & Scholars](#)

OSSI is a NASA-wide system for the recruitment, application, selection and career development of high school, undergraduate, and graduate students primarily in science, technology, engineering and mathematics disciplines. Opportunities for students in other disciplines are available.

## [USA Jobs Pathways Program](#)

The Pathways Program offers federal internship and employment opportunities for current students, recent graduates and those with an advanced degree.
