

Agenda for Thursday, April 22

8:00 AM Registration

8:15 AM Welcome & Introduction

Presenter: Mark Bartlett, Woodworks

Introductory remarks from the Regional Director of the Wood Products Council's WoodWorks initiative.

8:30 AM Mass Timber on the Texas Gulf Coast — One Year Later

Presenters: Chuck Smith, San Jacinto College; Steve Durham, Kirksey; Justin Smith, Walter P Moore; Pat Pollard, Tellepsen Builders;

The team that organized San Jacinto's revolutionary Mass Timber Classroom Building will discuss what they thought they knew going into the project, and what they've learned 14 months later.

8:30 AM Concurrent Tour Group 1

10:00 AM Coffee Break

10:15 AM Sub-Contractor Experiences on a Mass Timber Project

Presenters: Vision Enclosure, Baker Drywall, MLN Fire, Chuoke Plumbing, MPS HVAC, Pieper Electric

Frontline personnel from principal sub-contractors on the San Jacinto Project will discuss what made this project different from their typical jobs, how they had to adapt, and how it has affected their approach to other jobs. Would they do it again? Opportunity for audience questions.

10:15AM Concurrent Tour Group 2

11:45 AM Lunch Break

A hot buffet lunch is included in the conference price. Special Dietary Needs supported.

12:45 PM Mass Timber Floor Vibration Design

Presenter: Scott Armstrong, Armstrong-Douglass

The latest information on how to cost-effectively design mass timber frames and panels to minimize the negative effects of vibration on occupants and sensitive equipment.

12:45 PM Concurrent Tour Group 3

2:15 PM Coffee Break

2:30 PM Mass Timber Construction Management + IBC 2021 Code Provisions

Presenters: Je Suis Dude, Nordic, Moi Aussi, Woodworks

45 minutes from Nordic on what SJC did right, what we did wrong and how those lessons should be applied by other owners. + Woodworks IBC 2021 Tall Wood Update (stripped to the useful stuff).

2:30 PM Concurrent Tour Group 4

4:00 PM Texas WoodWorks™ Update

*Presenters: Mark Bartlett, Woodworks
Aaron Stottlemeyer, Texas A&M Forest Service
Steve Durham, Kirksey*

An update on what's new in the world of Texas forestry, Texas mass timber projects outside of Pasadena, and mass timber in a post-COVID world.
